

Alasdair Reid

MUSIC TO PICTURE

Work + Study

Fluent in both orchestral and contemporary styles, my work has been commissioned by all the major UK broadcasters and been heard in numerous award winning dramas, commercials and documentaries; these include 4 BAFTA nominated projects, a BAFTA + RTS award winner in 2012 and several winners of film prizes both at home and abroad. In 2006 I won the VW Score Prize at the Berlin Film Festival.
